UFES: Overview of Institution and Research Activities

Brazil, Espirito Santo

Espírito Santo

A photograph of a tree-lined path on a university campus. The path is paved and runs through a lush green area with many trees. Several people are walking along the path, some carrying backpacks. The scene is bright and sunny, with shadows cast on the path.

UFES Overview

UFES is the main higher education institution in the state of Espírito Santo. It was founded in 1954, in Vitória.

UFES offers 100 undergraduate courses and 52 Graduate Programmes, with approximately 21.000 in-class students and 4.000 distance learning students.
